Cab robbery:

6 from Mysuru among 8 held

Gang used 4 minor girls from Mysuru for dacoities

Mysuru / Bengaluru, Nov. 29 (RK&BCT)- Bidadi Police have arrested a gang of eight habitual offenders — including four minor girls in conflict with the law — for assaulting a cab owner and robbing his vehicle. Two of the arrested men and four minor girls are from Mysuru.

The arrests were made on Nov. 22 and the Police have seized stolen property worth around Rs. 16 lakh, including three cars, six two-wheelers, one autorickshaw and the weapons used in the crime.

Bidadi Police team seen with the seized vehicles.

The accused have been identified as Saddam Hussain from Siddhartha Layout, Mysuru and currently residing at Kavalande in Nanjangud taluk; Shiva Prasad, a resident of Kurubarahalli in Mysuru; Khabir alias Kaalu, of Padarayanapura in Bengaluru and Yashwanth Kumar from Ballari. The four men have been remanded to judicial custody while the minor girls have been sent to the State Home for Girls in Bengaluru.

On the night of Nov. 18, four boys and four girls booked a cab owned by Swamy Gowda, 39, from Bengaluru to Joganapalya village in Bidadi. The group initially booked the cab to the airport but cancelled midway and directed him instead to a farmhouse in Bidadi.

When the vehicle reached Bannigiri Road, an isolated stretch within Bidadi Police Station limits, the gang assaulted the cab driver with iron rods and fled with his vehicle.

BREAKFAST AT SCHOOL NEEDS A NATIONAL ROLLOUT: ***States and Union Territories, including Rajasthan, Kerala, Chhattisgarh, Gujarat and Delhi, have made a welcome proposal to the Central government towards adding breakfast to the midday meal scheme, which provides free food to children in anganwadis and lower classes in government schools.***

There has also been a proposal from States, including Karnataka, to extend the midday meal programme, called the PM Poshan Scheme since 2021, to class 12. The recommendation to include breakfast in the scheme is not new. The National Education Policy (NEP) proposed it, noting that a nutritious breakfast would be particularly productive for children.

In 2021-22, the Ministry of Education proposed inclusion of breakfast in the PM Poshan Scheme, but the Finance Ministry turned it down. The Parliamentary Standing Committee on education has also made a reference to this in a report and said the matter was being pursued.

In terms of health and nutrition as a policy imperative, the midday meal scheme has been one of India's landmark initiatives with a lasting positive impact on millions of children and society. Providing breakfast will expand the scope of the scheme and cover the daily nutritional needs of a vast population of children.

The Ministry of Education has reportedly estimated that the breakfast proposal would cost about Rs. 4,000 crore. This is a negligible budgetary allocation in a country with an annual expenditure of over Rs. 50 lakh crore. For this investment, the returns promise to be transformative for future generations and for the country.

With the human and physical infrastructure already in place, the proposal is not likely to involve substantial expansion.

The governments in Tamil Nadu and Telangana have launched breakfast plans for children. Local bodies, parent-teacher associations and NGOs are running the scheme in Kerala. Karnataka is providing milk and Andhra Pradesh is providing a ragi malt drink to children, as part of the PM Poshan menu.

Considering its takeaways, the breakfast programme needs a national presence and presents a strong case for inclusion in the PM Poshan Scheme. — *In Deccan Herald*

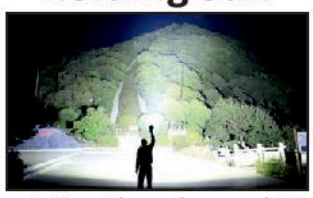
This flashlight feels like holding Sun



Beijing: The aptly named IMALENT MS32 Brightest Flashlight is capable of outputting up to 200,000 lumens of light, more than any other commercially available flashlight.

The Imalent MS32 is so incredibly powerful that the only other flashlight you can even compare it to is the Imalent MS18, the previous holder of the title of 'world's brightest flashlight'. And that one was virtually half as powerful as the MS32, with a peak brightness of "just" 100,000 lumens. The LED-powered light beam of the Imalent MS32 can reach as far as 1,618 meters and is the equivalent of 100 car lights in terms of brightness.

The world's brightest flashlight is powered by 32 CREE XHP70.2 LEDs, strategically arranged to provide maximum brightness with the help of a 13.4 cm reflector.

According to most online reviews, the Imalent MS32 does not suffer from any heat-related issues.

Spider night lamp freaks out internet

Tokyo: A Japanese IT engineer has created a creepy night lamp that crawls on robotic spider legs and leads you to the toilet in the middle of the night.

Case in point, this robotic spider lamp created by a Japanese IT engineer as a side project that has been freaking out internet for the past couple of days. Twitter user Ianius shared a short clip featuring his newest wacky creation, a walking night lamp powered by motorised robot spider legs.

The lamp itself is commercially available, but the legs it stands on were created and assembled by Ianius, who sort of has a thing for robotics.

As a father of two, he was reminded of his own childhood, when he was terrified of going to the bathroom in the middle of the night, and the idea of a guiding night lamp sprouted in his brain.

Student KSRTC bus pass holders inconvenienced

Plea to address bus service issue at Jayachamaraja Wadiyar Circle

Sir,

This is to bring to the attention of KSRTC authorities concerned a recurring problem faced by student bus pass holders at the Jayachamaraja Wadiyar Circle (Hardinge Circle) bus stop in Mysuru. Several KSRTC buses that are supposed to stop for student pass holders are frequently bypassing the stop, causing inconvenience and delays for students commuting to and from our college.

We request the authorities to:

1. Investigate the reasons for buses not honouring student passes at Hardinge Circle.

2. Ensure that all KSRTC services on this route stop for valid student pass holders.

3. Provide a timeline for remedial action and, if possible, a point of contact for further follow-up.

Students rely on these buses for their daily travel and resolving this issue would significantly improve their punctuality and safety. We hope the authorities will visit the bus stop, as students are facing this issue every day. The KSRTC Mysuru Division has not taken any action so far despite our repeated complaints.

MLA inaugurates 'Namma Clinic' at Ekalavyanagar

Mysuru, Nov. 29 (DM)- Chamundeshwari MLA G.T. Devegowda (GTD) inaugurated 'Namma Clinic' at Ekalavyanagar in city yesterday.

'Namma Clinic' is a Karnataka Government initiative that provides free, comprehensive and primary healthcare services in urban areas, particularly targeting the urban poor.

Speaking on the occasion, GTD highlighted the range of medical services provided in these Clinics modelled on the Union Government's Health and Wellness Centres.

Pointing out that the Clinic has been set up at Ekalavyanagar in the city outskirts to cater to the primary medical needs of residents in the densely populated surrounding localities, he called upon the people to make best use of this Clinic.

District Health Officer (DHO) Dr. P.C. Kumaraswamy, who was also present, said that there are 14 health centres across the district. The Namma Clinic at Ekalavyanagar will provide 12 types of health services and the members of the public must make good use of this clinic for maintenance of their health, stated the DHO.

Mysuru Imaginarium tomorrow at Wadiyar Centre for Architecture

Mysuru, Nov. 29- As part of City Forward campaign, Greenpeace India will be hosting an *Imaginarium* tomorrow (Nov. 30) at Wadiyar Centre for Architecture on Krishnaraja Boulevard at 4.30 pm.

The interactive event is open for Mysuru residents, students, planners and community leaders to come together and re-imagine the future of city. Through creative exercises, visual mapping and open conversations, participants will collectively envision what a more accessible, climate-resilient, people-centred Mysuru could look like.

This is one of the first citizen-led future-thinking labs in the city which offers a strong, positive story on how communities are shaping urban transformation from the ground up.

Beware! AI camera is watching...

- MCC installs cameras at 46 locations to check indiscriminate dumping of waste in public places
- Control Room being set up at Vani Vilas Water Works
- Fines to be collected from offenders

Mysuru, Nov. 29 (GA&BS)- The indiscriminate dumping of waste in public places may attract action with Mysuru City Corporation (MCC) roping in hi-tech Artificial Intelligence (AI) based surveillance technology to rein in unruly public.

MCC has identified 53 places and completed installation of AI cameras at 46 locations, which are directly connected to the Control Room being set up at the premises of Vani Vilas Water Works (VVWW), the water supply arm of the MCC, in Yadavagiri.

Though the city has effective door-to-door garbage collection system in place, the trend of disposing waste in public, especially at Outer Ring Road (ORR) is high. Some of them still continue to throw waste stuffed into plastic covers at the corners of the road and main roads, early in the morning, only to avoid the watchful eyes. On the flip side, the extensive awareness measures taken up by MCC on collection and disposal of waste has proven meaningless. As the physical efforts to check such unhealthy practices went in vain, the MCC has resorted to AI-backed surveillance system to keep an eye on blatant practices.

The AI cameras equipped with high-end technology, sounds alert with a beep sound, warning the waste disposers against doing so. If the public ignore the warning, the staff at Control Room will warn again through microphone. Finally, the picture of offenders will be captured on AI camera to facilitate further action by imposing fine on them.

The initiative has proven fruitful to an extent with those disposing waste earlier, refraining from doing so, to avoid penalised action. Once the issue is addressed, MCC will shift camera to another spot riddled with similar issues.

MCC Health Officer Dr. Venkatesh said, works on establishing Control Room at VVWW will be completed soon. Action will be taken to curtail public from disposing off waste, as per their whims and fancies.

Unfinished wildlife corridor turns Mysuru-Bengaluru Highway deadly

Rift between NHAI, Forest Department halts project at 60% completion

Srirangapatna, Nov. 29 (VK& BCT)- Years after the inauguration of the Mysuru-Bengaluru Access-Controlled Highway, the proposed wildlife corridor — with underpasses and flyovers meant to ensure safe movement of animals — remains an unfinished promise.

The project, crucial for preventing wildlife deaths along this busy stretch, has been left hanging due to continued negligence on the part of the Highway contractor, the National Highways Authority of India (NHAI), and the Forest Department.

The delay has already turned deadly. On Thursday morning, a six-year-old male leopard was run over while attempting to cross the Highway near Joganapalya, triggering outrage among wildlife lovers.

Forest officials inspected the spot and reviewed CCTV footage from the Toll Plaza, but could not immediately trace the vehicle involved. An FIR has been registered and an investigation is on.

The Access-Controlled Highway was built to cut travel time between Mysuru and Bengaluru, but environmental concerns were raised early on.

A leopard that was killed in a Highway accident on Thursday.

To address this, NHAI had proposed an underpass and a flyover near K. Shettihalli in Srirangapatna taluk, at a cost of Rs. 8.96 crore. Although about 60 percent of the work was completed years ago, the project has since come to a standstill, leaving wildlife exposed to high-speed traffic.

Three places of wildlife movements were identified and among them is the Handigundi Forest near Ramadevara Betta, where leopards were frequently sighted. Another location is the Hulthar Reserve Forest near Bidadi, a part of the elephant corridor linking Bannerghatta to Savandurga. The third wildlife crossing point is the region around K. Shettahalli, near Srirangapatna taluk.

Earlier, animals freely crossed this forest patch. But with fencing installed on both sides of the Highway, they now attempt risky crossings through gaps or at unfenced stretches, often resulting in fatal collisions.

Caught in red tape

The proposed corridor includes a 100-metre-long, 20-foot-wide flyover and a 100-foot-wide, 30-foot-high underpass to help leopards, bears, deer, wild boars, rabbits and other species cross safely.

However, conflicting claims and red tape between NHAI and the Forest Department over land availability have stalled the project. While NHAI alleges the Forest Department has not handed over the required land, Forest officials maintain that the land was transferred long ago.

Wildlife deaths have been recurring since the Highway opened. On Feb. 6, 2023, another leopard was killed near Gowdalli Gate after being hit by a vehicle. Locals say several more animals have died in similar incidents but remain unreported.

Conservationists are now demanding immediate coordination between the Forest Department and NHAI to fast-track the wildlife corridor and put an end to these preventable tragedies.

Siddaramaiah-Shivakumar show united front after breakfast meet

Bengaluru, Nov. 29 (UNI)- In a strong signal aimed at ending speculation over internal tensions within the ruling Congress, Chief Minister (CM) Siddaramaiah this morning asserted that he and Deputy Chief Minister (Dy. CM) D.K. Shivakumar (DKS) are fully united and will jointly follow the directives of the Congress High Command.

The Chief Minister made the remarks after a private breakfast meeting with Shivakumar at the CM's residence 'Cauvery' earlier in the day.

Speaking to reporters, Siddaramaiah said, the Congress leadership in Karnataka remained cohesive and that there were no differences between him and the Karnataka Pradesh Congress Committee (KPCC) President. "Unity will continue. Myself and Deputy Chief Minister D.K. Shivakumar, who is also the KPCC President, are one. We are united and there are no differences between us," he said.

Reiterating that the Government was prepared to counter the Opposition during the forthcoming Legislature Session at Belagavi, Siddaramaiah said, the Opposition BJP and JD(S) were indulging in misinformation and false allegations. "We have handled such false campaign very effectively so far and will continue to do so. Whether it is the BJP or the JD(S), their false propaganda and baseless allegations will be countered strongly," he said.

CM Siddaramaiah having breakfast with Dy.CM D.K. Shivakumar at the CM's residence 'Cauvery' in Bengaluru this morning.

The CM said he, along with his Deputy, have devised a clear strategy to take on the Opposition in the Assembly. "Whatever issues and allegations they raise inside the Assembly, we will counter them. We have worked out the needed strategy," he said.

Lashing out at the BJP's claim of moving a no-confidence motion, Siddaramaiah called it an "unrealistic exercise."

"This is impossible. We have 142 members. They have only 64. The JD(S) has around 17 or 18. Even if they join hands, it will be around 82 or 84. They cannot go beyond that. So it would be a futile exercise," he noted.

On whether Ministers and Legislators had accepted the leadership's stance, Siddaramaiah said all decisions would rest solely on instructions from the Congress High Command. "Whatever the High Command decides, both of us will obey," he said.

Regarding past commitment reportedly made to Shivakumar, the Chief Minister said, the matter would be handled strictly as per the party leadership's directions. "It is not about past promises. Whatever the High Command says, that will be followed," he said.

Siddaramaiah also declined to comment on reports of a long-term power-sharing arrangement, stating he would adhere to party directives. "I will not answer that. Whatever the High Command tells us, we will abide by that," he said.

President Murmu to visit Malavalli next month

To take part in 1066th Jayanti Mahotsava of Sri Shivarathreeshwara Shivayogi Swamiji

Mandya, Nov. 29 (VNS)- President Droupadi Murmu will be visiting Malavalli during the third week of next month (December) to take part in the 1066th Jayanti celebrations of Sri Shivarathreeshwara Shivayogi Swamiji.

In view of her visit, Kanakapura Degula Mutt Junior Pontiff Sri Channabasava Swamiji, MLA P.M. Narendraswamy, DC Dr. Kumara, SP Mallikarjuna Baladandi and other officials conducted an inspection of the proposed place for helipad, stage and among others yesterday.

The programme will be held at the sprawling 33 acre land located in front of Shanthi College in Malavalli, where a stage will be erected with separate arrangements being done for supply of drinking water, food among others. The officials also inspected various spots for construction of helipad near Muganakoppal on Mysuru Road, Nagegowdanadoddi on Kollegal Road and areas coming under Kundur.

President Droupadi Murmu

Former MLA Dr. K. Annadani, Kundur Rasasiddeshwara Mutt Pontiff Sri Nanjunda Swamiji, Ragibommanahalli Mutt Pontiff Sriprabhu Swamiji, Tahsildar Lokesh, PWD Executive Engineer (EE) H.R. Vokkaligas take out mega bike rally in support of DKS

Mysuru, Nov. 29 (BLU&DM)- Urging to make Deputy Chief Minister D.K. Shivakumar (DKS) as the Chief Minister of the State for the remaining term in accordance with the power-sharing agreement believed to have been made by the Congress High Command post the Assembly polls in 2023, the District (Mysuru-Chamarajanagar) Vokkaligara Sangha, in association with Swabhimani Vokkaliga Seva Balaga and various other Vokkaliga Associations, took out a mega bike rally in city this morning.

Kengeri Vishwa Vokkaligara Mahasamsthana Mutt Seer Sri Nischalanandanatha Swamiji flagged off the rally in front of Chandramoulishwaraswamy Temple at Mathrumandali Circle in Vontikoppal here.

Speaking after flagging off the rally in which hundreds of bike riders took part, the Swamiji said that Dy.CM Shivakumar, who is also the KPCC President, is a tall Congress leader who had strived hard for the party to return to power in the 2023 Assembly polls.

Pointing out that CM Siddaramaiah should immediately hand over power to DKS if an agreement was indeed reached on power-sharing, he said that DKS had all the political and administrative experience to become the CM of Karnataka.

The rally passed through Temple Road, Princess Road (KRS Road), Akashvani Circle, Vani Vilas Water Works (VVWW), Dasappa Circle, JLB Road, Dr. Babu Jagjivan Ram Circle (Railway Station Circle), Irwin Road and Ashoka Road, before culminating at Kote Anjaneyaswamy Temple at the Palace North Gate.

District Vokkaligara Sangha President Mariswamy, Vice-President Ravi, General Secretary Chetan, Directors Boregowda, Kumaragowda, Gopal and Prashanth Gowda, Karnataka Vokkaligara Vikasa Vedike President H.L. Yamuna, former Mayor Modamani, Taluk Vokkaliga Sangha President N. Krishnegowda and others were present during the occasion.

IN BLACK & WHITE

Vikram Muthanna

Siddu is a Lion

because ... the Congress High Command is a

Pussycat

As expected the inevitable tug-of-war between the Karnataka Chief Minister and his Deputy for the coveted CM's *kurchi* has begun.

What we are witnessing today is the direct consequence of indecision and chronic incompetence within the Congress High Command.

Everyone knew this day would come. Yet the party was ill-prepared. No timeline. No strategy. No clarity. Nothing.

Unlike the High Command, Siddu was prepared. In fact, he has been preparing from Day-1 of his second innings as Chief Minister.

For two-and-a-half years, Siddaramaiah has systematically consolidated a voter base for himself, the AHINDA base and projected himself as its undisputed leader.

AHINDA, an acronym coined by Congress leader D. Devaraj Urs in the 1970s, stands for *Alpasankhyataru* (Minorities), *Hindulidavaru* (Backward Classes) and *Dalitharu* (Dalits).

In just 30 months Siddu rolled out schemes such as: Four percent reservation for Muslims in public works contracts; Startup seed support for minority youths; old-age homes for SC/STs in all districts, a proposal to increase reservation for his community, Kurubas, from 7 percent to 15 percent.

These initiatives did not strengthen the Congress' vote base. Instead, they strengthened Siddaramaiah's vote base. And today, he wields that base like a political mace, keeping D.K. Shivakumar perpetually hovering around the CM's chair — close enough to hope, far enough to suffer.

Meanwhile, the Congress High Command stands paralysed, unable to take a decision that would give its most loyal and long-serving party man D.K. Shivakumar a legitimate chance at the top job.

One must admire Siddaramaiah's political brilliance. He adopted former Congressman Urs' AHINDA framework, captured Congress party's traditional vote base and used Congress loyalist D.K. Shivakumar's organisational muscle to elevate himself within the Karnataka Congress!

In short, he built his fortress against Congress High Command using Congress' own resources. *Wah! Re Wah!* Now that's political craftsmanship.

The Congress High Command's carelessness enabled this. They didn't object even when Siddaramaiah held *Siddaramothsava,* a full-fledged personality cult-building festival.

When he tried something similar in JD(S), the regional party expelled him. But the 'national' party, the mighty Congress, neither stopped it nor questioned it.

The Congress High Command seems to have forgotten how in 2020, 16 MLAs camped in Mumbai and toppled the Congress-JD(S) coalition Government. 13 of the 16 MLAs were Siddu loyalists. One Congress rebel MLA, Shivaram Hebbar, said it openly: *"We just followed Siddaramaiah's advice."*

The irony? Siddaramaiah was the Coordination Committee Chairman of that very coalition. *Wah! Re Wah!* With one political stroke, he neutralised his internal rivals.

Dr. Parameshwar and Shivakumar lost their Ministerial clout while Siddaramaiah quietly became Leader of the Opposition and remained the most powerful Congressman in Karnataka.

It is an open secret that Siddu chose to put his own Congress party out of power so he could be Leader of the Opposition, rather than be a powerless legislator under a Congress-JD(S) coalition.

This is not just ambition; this is a supreme political lion's instinct. And one becomes a political lion when one's High Command behaves like a pussycat.

Siddaramaiah understands tactics. Rahul Gandhi remains trapped in optics. The Congress High Command is still run by a "young man" with limited political instinct, advised by old men with fading vision for both the party and the nation.

It is evident the Congress has not learnt from history as they repeatedly allow regional satraps to grow so large that the party becomes an optional accessory in their political journey.

Remember Mamata Banerjee? The Congress let her grow unchecked until she left and formed Trinamool Congress, which rules West Bengal now.

Remember Y.S. Rajasekhara Reddy? They allowed him to grow and accumulate wealth. After his passing, his sonJagan Reddy walked out, formed YSR Congress Party. Then, of course, we have Sharad Pawar in Maharashtra who formed Nationalist Congress Party.

Remember back in 1978? Congress split into Congress (I), led by Indira Gandhi and Congress (U), led by Yashwantrao Chavan. So...

Is the Congress worried Siddaramaiah may form his own outfit — Congress (A). A for AHINDA? If they are, they should not. Because...

While Siddu claims to be AHINDA's messiah, most of his tangible benefits have gone to his own Kuruba community. Others, such as the *Madiwala, Vishwakarma, Kumbara, Ganiga, Golla, Besta, Uppara* and many more micro communities have seen little of his generosity.

So AHINDA will not shift en masse for Siddaramaiah. This should give the Congress High Command confidence to finally behave like one and end this *nataka* in Karnataka.

Now, will D.K. Shivakumar always be the bridesmaid and never the bride? Yes, as long as Congress High Command behaves like a pussycat instead of a lion, DKS' fate is sealed to remain a Deputy.

Let's see if Congress High Command can transform from a small cat to a big cat. But for that the Congress High Command should be led by a serious man, not a peter pan.

It's time for Rahul Gandhi to speak out... whether he lets out a meow or a roar, it is going to be a defining moment for the future of Congress in Karnataka.

Addl. SP seeks inter-departmental action to make Mysuru drug-free

Mysuru, Nov. 29 (BS)- Additional Superintendent of Police (Crime) L. Nagesh has sought the co-operation of all the Departments Officers in making Mysuru a drug-free district and prevent the supply and sale of drugs and other psychotropic substances that is on a rise.

Nagesh, who chaired the District-level Committee meeting of Narco Coordination Centre at the Deputy Commissioner's Office in the city on Friday, referred to the menace of liquor that was earlier sold in the outskirts, which is now available at the heart of the city.

"If the drug cartel remains unchecked, it may enter our home in the coming days. The public should be aware of its ill-effects," he appealed.

Students are prone to drugs, following the spurt in substance abuse among them. The School Education and Literacy Department and Department of PU Education should create awareness among students on these lines. On the other hand, CCTV cameras should be installed at Colleges to keep a tab on the students. Besides, banners containing information on ill-effects of drugs should be put up in the surroundings of colleges, added Nagesh.

Social Welfare Department officers should install CCTV cameras around boys and girls hostels and monitor them regularly. Any suspicious activities around the hostels should be brought to the notice of Police. The report on organising awareness programmes at college hostels should be submitted to the Police, said Nagesh.

Health and Family Welfare Department should carry out inspections at the hospitals in their jurisdiction. The Department should host awareness programmes at hospitals in the interest of general public on controlling psychotropic substances, he said.

The Drug Controllers should take action against unauthorised sale of drugs and prepare a list of medical stores in their jurisdiction and submit a report after surprise inspections, he added.

He told the Forest Department and Agriculture Department officers to inspect villages and tribal hamlets in forest fringes to check for cultivation of ganja, if any. Besides, awareness programmes should be carried out at tribal areas too. Continuing, the Addl. SP said, inspections should be carried out unannounced at Central Jail and sub-jails in the district and awareness programmes be conducted for the jail inmates too.

The NGO heads too should share the intel if any with the Police on supply network of drugs.

Goods and Services Tax (GST) Department should submit a report on smuggling the drugs in parcels, in case of any proven cases.

ASI Nagaraj Nayak, Cyber Crime Division's Manoj Kumar and other District-level Officers were present.

Cab robbery: 6 from Mysuru among 8 held

(Continued from page 1)

Based on the driver's complaint, a case was registered at Bidadi Police Station (Crime No. 273/2025) under Sections 310(2) and 190 of the Bharatiya Nyaya Sanhita (BNS).

Police said the men took the girls along for a 'jolly drive' and carried out the crime together. After the attack, they drove the stolen car towards Mysuru. CCTV footage from toll plazas and other checkpoints helped the Police trace and arrest the gang.

10 cases of dacoity and extortion

Police further stated that around five to six months ago, the four men had come into contact with the minor girls, who were begging near the City Railway Station and Nazarbad in Mysuru.

The men lured the girls with promises of relationships, travel and money. The girls, enticed by these assurances, joined them and together they planned robberies, eventually becoming involved in more than 10 cases of dacoity and extortion.

During interrogation, the accused admitted to committing thefts and robberies across Bidadi, Kanakapura, Channapatna, Malavalli, Shivamogga and Srirangapatna.

With these arrests, Bidadi Police have successfully solved 10 pending cases.

Bengaluru South Superintendent of Police R. Srinivas Gowda appreciated the swift action and coordination of the team, which included Additional SPs Ramachandra and Rajendra, Dy.SP Srinivas, Inspector Shankar Nayak, and Sub-Inspectors Krishnamurthy and Nagaraju.

Mysuru cab driver robbed in Bengaluru

It may be recalled here that on Nov. 14, the Bengaluru Police arrested a 38-year-old man for robbing a cab driver at knifepoint in north Bengaluru. The accused, Manzoor Abdul Basith alias Dhoond, a resident of Shivajinagar, was arrested based on a complaint filed by K.V. Pradeep, 29, from Mysuru.

Manzoor approached Pradeep near the Mysuru Sub-Urban Bus Stand and booked a trip to Shivajinagar in Bengaluru for Rs. 3,000. They reached Shivajinagar around 9.30 pm, when Manzoor asked to be driven further to Thanisandra, claiming his sister lived there. Pradeep agreed after informing him of the extra fare.

At a dimly lit spot in Thanisandra, Manzoor asked Pradeep to stop, pulled out a knife and attacked him. He then pushed Pradeep onto the road and fled with the cab, Rs. 3,000 in cash and a mobile phone. Police traced the vehicle and arrested Manzoor on Nov. 15. The cab and stolen phone were recovered.

Environmental awareness at Kukkarahalli Lake

Mysuru, Nov. 29- As part of the Social Connect initiative, Wadiyar Centre for Architecture, Mysuru, had organised an Environmental Awareness Programme at Kukkarahalli Lake recently.

The programme aimed at sensitising students about environmental responsibility, conservation of natural resources and community involvement in maintaining public spaces.

The event saw active participation from all students of the college. Several faculty members and non-teaching staff also joined the programme. Students were briefed on environmental hygiene, waste management and the significance of protecting lakes and water bodies.

Students were divided into groups to cover different stretches of Kukkarahalli Lake. Participants collected dry waste, plastics, bottles and other litter.

The University of Mysore (UoM), which is the custodian of the Lake, extended full support by granting official permission for the activity at the Lake premises.

All the garbage collected was systematically handed over to the Mysuru City Corporation (MCC), which coordinated the disposal process.

The entire programme was curated and coordinated by Administrative Officer Srinath Bhadram under the guidance of Principal Prof. Anand Krishnamurthy.

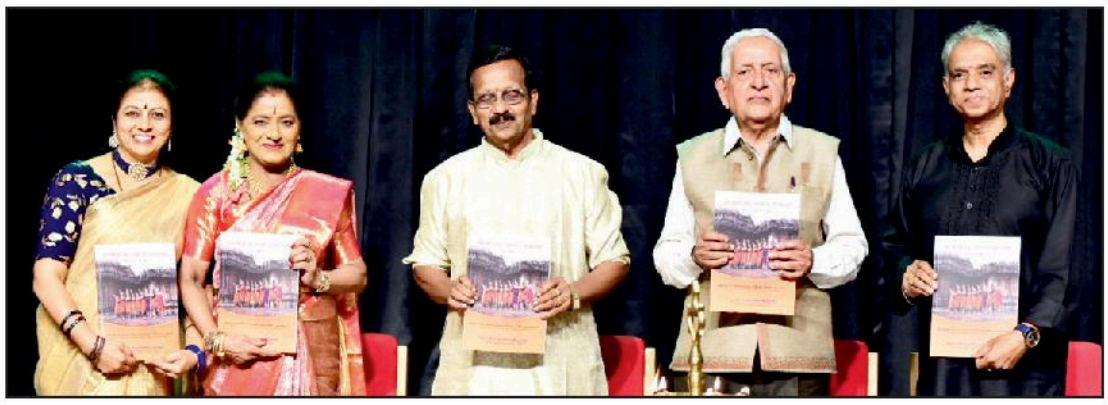
Bharatiya Nritya Jnanam released



Mysuru, Nov. 29- Dr. Nagalakshmi Nagarajan, city's noted Bharatanatyam teacher, performer and an entrepreneur who started the educational and cultural institution Champaka Academy two decades back, has made her debut as an author through her book "*Bharatiya Nritya Jnanam (Pallava Edition) - Initiation to Indian Classical Dance of Bharatanatyam.*"

The book was released by her Guru Dr. Vasundhara Doraswamy in the presence of art patron Dr. C.G. Narasimhan (Sr. Surgeon), Dr. K. Kumar (Founder-Secretary, Kumar Performing Arts Centre) and Prof. K. Ramamurthy Rao (Director, Noopura Trust) during Vasundharotsava held at Vasundhara Bhavana in Saraswathipuram recently.

This book is meant to help students and teachers of Bharatanatyam navigate their understanding of the theoretical and practical foundations of the art and help them prepare for the various certificate courses offered by Gandharva Mahavidyala, Karnataka State Dr. Gangubai Hanagal Music and Performing Arts University, S-VYASA University, Bangiya Sangeet Parishad (BSP) and others.

Foreword for the book has been penned by Dr. Vasudhara Doraswamy and Dr. H.V. Nagaraja Rao (Sanskrit Scholar) and printed by R. Vasudev Bhat of Ramya Creations.

Dr. Vasundhara Doraswamy lauded Dr. Nagalakshmi's effort to come up with this book embellished with deep theoretical and practical knowledge that she has gained over the past decades and opined that scores of students of Bharatanatyam would benefit from it.

Dr. Nagalakshmi said the next edition for higher levels of learning will be available next year.

Congress consistently insulting Constitution: MLC C.T. Ravi

MLC C.T. Ravi unveiling the model of a Constitution Book, marking the inauguration of a campaign to create awareness on Constitution, organised by BJP in the city yesterday as MLA T.S. Srivatsa, former MLA and City BJP President L. Nagendra, Rural BJP President Kumbralli Subbanna and others look on.

Mysuru, Nov. 29 (SBD&BS)- MLC and former Minister C.T. Ravi has said, the people should be made aware of the false motives of the Congress Government, that is ruling the State, ignoring the ethos of the Constitution.

Ravi, addressed the gathering after inaugurating a programme organised by City BJP titled 'Campaign Towards Bhim for Constitutional Awareness', at V.K. Function Hall here yesterday.

"One should not get carried over by the prophecy of lies. Instead, there should be a clear knowledge about truth and lies. Most importantly, nobody should repose faith in Congress that has been insulting the Constitution consistently," said C.T. Ravi.

Launching a tirade against Congress, Ravi said, the grand old party had orchestrated the defeat of Dr. B.R. Ambedkar in Lok Sabha elections from Mumbai, only to prevent the latter from attending the meeting on drafting the Constitution. Prime Minister Jawaharlal Nehru had recommended the name of an Irish legal expert named Sir Ivor Jennings to draft the Constitution, but Mahatma Gandhiji had suggested the name of Ambedkar.

Nehru had written to the State Governments, about how the Reservation stymies the country's growth. However, when BJP supported alliance Government led by Janata Dal, with V.P. Singh as the Prime Minister came to power, the backward classes got reservation. V.P. Singh, approved the proposal of A.B. Vajpayee to confer Bharat Ratna, the highest civilian honour of the country on Ambedkar in 1990.

Quoting records, R. Raghu Kautilya, State BJP OBC Morcha President said, the Constitution has been amended 106 times so far and 75 amendments were made during the tenure of Congress Government. Among them, the amendment was brought to the Constitution for 58 times, when the members belonging to same family held the reins.

The Congress launched a well-planned vitriolic campaign against BJP, but the latter has all the might to thwart any conspiracy. While the discussion is about Chief Minister Siddaramaiah, having a strong desire to set a record as CM, by breaking the record of D. Devaraj Urs, one should not forget that, Urs was the CM for non-stop eight years. But the CM came to power after a break.

Physically challenged face parking issue

Mysuru, Nov. 29 (BLU&BS)- The exclusive parking zone meant for the vehicles of physically challenged, is encroached upon by others, forcing the disabled to scout for a suitable parking space.

Since the past several years, the City Police have earmarked dedicated space for the parking of modified two-wheelers used by the physically handicapped, on D. Devaraj Urs Road, Vontikoppal Main Road, V.V. Mohalla among several other roads to name a few.

A sign board has been erected about the parking space meant for the vehicles of handicap persons. However, the regular vehicle riders have been blatantly parking their vehicles, turning a blind eye on the sign board, denying the disabled persons their due space.

D. Devaraj Urs Road, located in the heart of the city, is riddled with parking menace, as is evident with the vehicles parked in multiple rows, from start to end, stretching from the designated parking lot on the either side. Following the intensified Police action, by imposing spot fine, the vehicle owners, mainly of four-wheelers, have been parking their vehicles on the approach roads like Narayan Shastry Road, Dewan's Road and Sita Vilas Road.

But still, the burgeoning traffic related issues, remain to be addressed, with the permanent solution far from reality.

Mysuru chosen for national industrial corridor boost

Other cities include Chamarajanagar, Hassan, Kolar, Mangaluru, Hubballi-Dharwad, Raichur and Bidar

Union Minister for Heavy Industries & Steel H.D. Kumaraswamy with Union Commerce and Industry Minister Piyush Goyal on Nov. 13.

New Delhi, Nov. 29 (BCT)- The Union Government has given a positive nod to Union Minister for Heavy Industries and Steel H.D. Kumaraswamy's proposal to bring nine Karnataka districts under the National Industrial Corridor Development Programme (NICDP).

The NICDP, one of India's most ambitious infrastructure initiatives, aims to develop next-generation industrial cities capable of competing with the world's top manufacturing and investment hubs. The programme is expected to spur large-scale employment, accelerate economic growth and drive overall socio-economic progress.

Union Commerce and Industry Minister Piyush Goyal has officially written to Kumaraswamy, confirming plans to establish nine industrial parks across key districts of the State.

On Nov. 13, Kumaraswamy met Goyal and pushed for NICDP implementation across Mysuru, Chamarajanagar, Kolar, Hassan, Mangaluru, Hubballi-Dharwad, Raichur and Bidar. In his response, Goyal underscored Karnataka's standing as a leading industrial powerhouse and assured full support to promote balanced regional industrial growth.

Kumaraswamy, in his statement, said the project would reshape Karnataka's industrial and logistics landscape, ensuring faster movement of goods and boosting manufacturing. He stressed that the corridor will enhance connectivity, create new jobs and accelerate industrial development across the State.

The initiative, he added, aligns with Prime Minister Modi's vision of a "Developed India," strengthening production capacity and industrial competitiveness.

He further noted that the corridor will be taken up on a major scale as part of Union Government's broader industrial strategy.

WORD OF THE DAY

Unabashed

Pronunciation: un-uh-BASHT (adjective)
Meaning: Someone who is unabashed is not embarrassed or ashamed about openly expressing strong feelings or opinions.
Origin: To abash someone is to shake up their composure or self-possession, as illustrated by Charlotte Brontë in her 1849 novel Shirley: "He had never blushed in his life; no humiliation could abash him." When you are unabashed you make no apologies for your behavior, nor do you attempt to hide or disguise it; but when you are abashed your confidence has been thrown off and you may feel rather inferior or ashamed of yourself. English speakers have been using abashed to describe feelings of embarrassment since the 14th century, but they have only used unabashed (brazenly or otherwise) since 15th century (not that there's anything wrong with that).
Example: "Take the melodramatic storyline of a telenovela and tell it through the unabashed mediums of opera and drag, and you'll have 'Inebria Me,' the subversive experimental opera by San Cha ending its West Coast tour at REDCAT this month. Latin dance fuses with queer storytelling as the sounds of ... punk, classical and electronic make up the performance, which pulls from creator San Cha's 2019 album 'La Luz de la Esperanza.'" — Katerina Portela, The Los Angeles Times, 3 Oct. 2025.

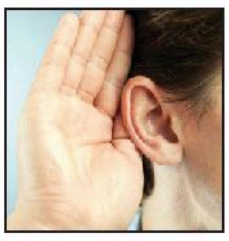
THE ODD WORD

Carioca

A lively ballroom dance that resembles the samba.

PHRASE OF THE DAY

Prick up your ears



Meaning: The expression "Prick up your ears" is used to describe listening carefully to something that is being said or that is happening around you.
Origin: "Prick up your ears" originated from the literal action of animals like dogs and horses raising their ears to hear better, which became a metaphor for humans to become suddenly alert and attentive. The phrase has been in use since late 1500s and was documented in literature as early as 1626.
Example: "Prick up your ears, because I'm about to tell you what to study for the final exam."

QUOTE BOX

I am grateful for what I am and have. My thanksgiving is perpetual.

—Henry David Thoreau
